

Appointment Policy

Patterson Chiropractic has a firm 24-hour cancellation requirement for all appointments. Should you not cancel before 24-hours prior to your appointment time you will be charged accordingly.

To try to help our patients with missed, forgotten or late canceled appointments we have implemented a text reminder system. Please provide the required information and we will send appointment reminders with a time buffer to which you will have time to make changes to your appointment should it be needed.

I have read, or have been read, the above statement. By signing below, I hereby agree to the above terms and conditions regarding Patterson Chiropractic's Appointment Policy.
